Heeha 700
Portable Pocket Game with Camera and AV out funtion

Genius
Live with Ideas

Do you want to be the role player in a pocket game device? The Heeha 700 has eight built-in role playing games and you can also take photos. This device is ideal for kids as it has a camera and camcorder function and a built-in SD card slot, so they can save their photos and videos to a SD card. Also, you can connect Heeha 700 to a TV and play games, share photos or videos with your family and friends.
For more information about Heeha 700, contact your sales representative.
